

Copperwing

Site Plan

Copperwing Business Park is located at the southeast corner of Glendale and 115th avenues. This 229-acre park is adjacent to the Glendale Municipal Airport and accommodates commercial space for office, manufacturing and light industrial users.

Copperwing is fully zoned and ready for build-to-suit development.

As a mixed-use business park, Copperwing will be home to offices, light industrial and airport related businesses. CC&Rs, design guidelines and a comprehensive sign plan will assure that Copperwing is a top-quality business park.
